bridgerdaw@yahoo.com | 3854147158 | <https://www.linkedin.com/in/bridger-daw-66035b271/> | Woods Cross, Utah

PROFESSIONAL SUMMARY

Dynamic and results-driven professional with a strong front-end and back-end development foundation. Proficient in various modern web technologies including HTML, CSS, JavaScript, React, and Node.js. Demonstrated expertise in database management with tools like MySQL and MongoDB, and adept at integrating APIs and utilizing GraphQL. Proven ability to collaborate effectively in team settings, as evidenced by successful group projects during a comprehensive coding boot camp. Passionate about creating efficient and user-friendly digital solutions, and eager to bring a blend of technical skills and team collaboration to a forward-thinking development role.

OBJECTIVE

Energetic and dedicated individual with a background in order preparation, storage organization, and material handling and looking to make a change. I am an ongoing student of a full-stack coding boot camp and pursuing a degree in psychology. Highly coachable and not afraid to face challenges. I'm looking to pursue a career in coding and software development.

TECHNICAL SKILLS

Front-End Development: HTML, CSS, JavaScript, JQuery, responsive design, React, Bootstrap.

Back-End Development: APIs, Node.js, Express, MySQL, Sequelize, MongoDB, Mongoose, Rest, GraphQL.

EDUCATION

Utah State University, Logan, Utah

August 2019-present

Motivated and proficient undergraduate working on my psychology degree.

WORK EXPERIENCE

Warehouse Associate

August 2017 - December 2017

Handi Quilter | North Salt Lake, Utah

- Moved large quantities of merchandise by operating carts, dollies, and hand trucks.
- Received, staged, and stored incoming merchandise.
- Helped meet promised delivery times using excellent sorting skills and strong attention to detail.
